

PATROLLING MEMBER INFORMATION SEASON 2011 / 2012

Dear Active Members,

Attached to this letter is a patrol availability form that you are required to fill in and return to 13th Beach SLSC. It is extremely important that you answer all of the questions and provide us with ALL of the required information.

We are trying to re-organise our patrols to fit in with everyone's busy lifestyles, and in order to do this, we need to know when you are available, and what sort of patrols you would like to do. We also need to know any other activities you are interested in over summer, such as competition or nippers, so that we don't schedule you to patrol when you are not available.

This summer we hope to have more patrols, less often. This means there will be less people in each patrol. It is therefore very important that you turn up to all of your scheduled patrols, to ensure we are patrolling the beach properly on each weekend throughout the patrolling season. If for whatever reason you are unable to attend one of your patrolling dates you must organize someone to fill in for you AND contact your Patrol Captain. If you are unable to attend a large amount of allocated patrols you must contact me as soon as possible.

It is important for you to understand that by becoming an active member of 13th Beach SLSC you are taking on the responsibility of both attending all of your allocated patrols; and maintaining and upholding the skills, techniques as well as the attitudes of Surf Lifesaving whilst on patrol. If you cannot commit to this responsibility then we suggest you rethink your decision to become an active member.

Once you have been allocated to a patrol you MUST re-qualify all of your awards at one of the designated re-qualification venues that will be communicated to you closer to the beginning of the patrol season. Should you have any further questions regarding patrols or if you have any ideas on how we might be able to help improve our patrolling system please feel free to contact me.

Looking forward to catching up with you all over summer,

Lis Perriman

Club Captain
