IF YOU CAN'T MAKE A PATROL	
<p>As soon as you know you can't make a patrol you need to find a swap. If you have to find a swap look at the Patrol list and contact people with similar qualifications as yourself. You may also try our Active Reserves to see if they are available.</p>	
<p>Once you have found a swap let your Patrol Captain know who it is.</p>	
<p>Patrol Captains – If you know you are going to be short of members for a Patrol and you have been unable to find replacements or extras then let Darcy or Cam know and we will try to assist. We are required to have experienced members on each patrol with the required awards.</p>
